1 The work is to be completed within 5 months from the date of work order and monthly progress should not be less than Rs. 1,000.

2 Tenders in the prescribed form obtainable on payment of annas four per form from the Office of the Executive Engineer, Sagar Division, Sagar, should be addressed to the Executive Engineer, Sagar Division, Sagar, in a sealed cover and superscribed as "Tender for restoring Maithammanamuchadi Sheelavanthanakatte." The name of the contractor should also be superscribed on the top of the cover.

3 Tenders to be quoted on rates for individual items of work instead of quoting on percentage basis.

4 Each tender must be accompanied by a duplicate chellan for having credited into the treasury the deposit amount of Rs. 240 under Land Revenue Deposits into treasury or Mysore Government bonds duly endorsed at full value or market value whichever is less as earnest money.

5 Items not provided for in the estimate will be calculated as per schedule of rates and items not covered by schedule of rates as per rates worked out during the execution of work.

6 Plans and estimates and other particulars can be had for inspection in the Office of the Executive Engineer, Sagar Division, Sagar, on all working days between 2 P.M. and 5 P.M.

7 The successful contractor should bind himself to abide by the departmental rules in force and should execute the necessary "Mutchalika" within a fortnight from the date of receipt of intimation of acceptance of his tender, failing which his earnest money will be forfeited.

8 The final acceptance on the recommendation for acceptance will rest with the Executive Engineer, Sagar Division, Sagar, who does not bind himself to accept the lowest or any other tender or to assign any reason whatsoever for the rejection of any.

9 No conditional clause will be accepted.

10 No sales-tax will be admitted by the department.

11 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

12 The rates quoted shall hold good if the tender is accepted within 6 months from the date of tender and shall thereafter be binding for the execution of the entire work.

13 The submission of the tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

14 If the work is not completed and handed over within the specified time, a fine of Rs. 50 will be levied for every fortnight delay.

15 Tendered contractor has to pay compensation to disabled workmen working under him for any injury caused during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured.

16 The tenderers should give tenders in duplicate. If there is difference in rate in the tenders, the lower of the two rates only will be considered.
